SUMMARY

Computer Science student with hands-on experience in full-stack development, front-end technologies, and machine learning. Skilled in JavaScript, Python, Vue.js, and various web development frameworks. Strong problem-solving abilities with experience in agile development practices. Seeking opportunities to apply technical skills in software development and AI solutions.

TECHNICAL SKILLS

Programming Languages: Java, Python, C++, MySQL, JavaScript

Web Development Frameworks: Vue.js, Nuxt.js, HTML, CSS

Libraries & Tools: TensorFlow, NLP, Git, GitHub

PROJECTS

Open-Source Contributions & Projects

Full-Stack & Machine Learning Projects

Aug 2023 – Present

JavaScript, Python, Vue.js, Nuxt.js

- Developed JavaScript applications including interactive calculator and responsive portfolio website
- Built Python tools for autocorrect functionality and machine learning models
- Created Vue.js/Nuxt e-commerce solutions demonstrating full-stack capabilities
- Contributed to Fault-Detection-Diagnosis project, solving technical system issues

Task Management & UI Development

Web Development Projects

May 2025 – June 2025

Vue.js, JavaScript, HTML/CSS

- Assisted in developing task management tools (Worklenz) and UI templates (Spruce)
- Built landing pages from scratch using modern HTML/CSS techniques
- Ensured cross-device compatibility and performance optimization

EXPERIENCE

Front-End Development Intern

CODESOFT

May 2025 – June 2025

Remote

- Developed JavaScript-based projects including interactive calculator and responsive portfolio website
- Collaborated on building landing pages with modern HTML/CSS techniques for cross-device compatibility
- Gained hands-on experience with version control (Git) and agile development practices

Full-Stack Development Intern

CODEALPHA

May 2025 – May 2025

Remote

- Contributed to e-commerce solutions using Vue.js and Nuxt.js with focus on front-end interfaces
- Assisted in developing task management tools and UI templates for workflow optimization
- Participated in code reviews and documentation ensuring maintainability and scalability

EDUCATION

VIT Bhopal University

Bachelor of Technology in Computer Science (CGPA - 7.91)

Sehore, Madhya Pradesh

Aug 2023 – May 2027

CERTIFICATIONS

- NPTEL in Cloud Computing
- CodeAlpha in Full Stack Development
- CODESOFT in Web Development
